Dear Prof. Shigemasu

**MESSAGE OF SUPPORT FROM THE PSYCHOLOGICAL SOCIETY OF SOUTH AFRICA**

On behalf of the Executive Committee, Council and members of the Psychological Society of South Africa (PsySSA), I would like to express the sympathy of the South African psychology community with the people of Japan for the devastating disaster that has befallen your country. We wish you strength and perseverance as you recover from this disaster and want you to know that our thoughts are with you at all times.

Please do not hesitate to reach me if there is any assistance the Psychological Society of South Africa can offer the Japanese Psychological Association.

Best wishes.
